

# 7th Grade Ipod Agreement

☐ **CLASS SET**: I will be assigned a specific iPod touch from the class set to use *IN CLASS ONLY*. I will be responsible for safe handling, retrieval and return during the class period that I am using it. Problems, damage, malfunctions or any other relevant issues will be reported to my instructor IMMEDIATELY during my possession. Failure to report any issues may result in liability regarding the device's repair/return. The iPod touch will be returned to it's proper location prior to my departure from class.

☐ **DEVICE SIGN-OUT**: I will be assigned a specific iPod touch that will be released to me for the duration of a 24 hour period. Once I enter the school the following morning the Ipod is to be back in my teacher's possession for charging and syncing. Similar to a textbook loan, I am solely responsible for device protection, safe handling, storage, and return at the end of the year in good condition. I will be responsible for the replacement cost of the device should I fail to return it in good condition. I agree to respect the wishes of other teachers and use the device only when permitted.

☐ **BRINGING MY OWN**: I will be using my own iPod touch. I will be solely responsible for charging, file and app management. I will be responsible for adding content and syncing my device using iTunes on my home PC/Mac. Additionally, I agree to be bound by all rules established by the district and will not bring content on my device that is in any way questionable or offensive.

By selecting the boxes above (whichever applies) and signing below, I hereby pledge to follow ALL rules outlined by the BASD Acceptable Use Policy that I have already dated and signed. Any violation of the 7th Grade Ipod Agreement may result in forfeit of my using an iPod touch in my classes. Of course you do have the option to not use the Ipods whether it be in class or at home, and if that be the case please just sign and date the agreement without checking any of the boxes.
